OUR EVOLUTION

1984 - 2000

Started with 12 conventional power looms, early years defined path of our growth through the installation of 282 water-jet looms. Procurement of Reliance Industries' sales agency for synthetic yarn.

2000 - 2005

As the first of many eco-friendly initiatives, we incorporated green energy within our operations through a 1.25mw windmill. Installed an Effluent Treatment Plant (ETP) with the capacity to recycle 15 lakhs litres of water every day. We further expanded production capacity with installation 100 water-jet looms.

2005 - 2010

Incorporated more green energy in our operations by installing two windmill with capacity of 0.6mw each. Further installation of 14 polyester sizing machines, largest in Surat, newer and better technology made into our operations.

2011 - 2015

This period saw tremendous growth, with commencement of yarn dyeing. Further expansion of existing units.

2016 - 2019

Introduced finished fabric with additional yarn dyeing capacity, along with yarn space dyeing machine, 30 air jet looms and windmill with capacity of 2.10mw. We are a renowned firm operating on globally accepted standards and manufacture natural fibres like cotton, viscose and rayon.

EDUCATION

Our local communities fuel our growth and we make ongoing contributions to their development. We are tightly involved with a social organization called 'Oasis' for the upliftment of people in the rural areas surrounding our units, education them through various workshops for youth women and to better education for students with special needs.

The group also acts as the chairman of ITI Umarpada helping in effectively managing the institute. Through this we provide technical education to students living in the nearby tribal area.

PEOPLE

WE continuously train our employees and contractors regarding their health and well being. provide an extremely safe work environment, Further, we regularly organise blood donation and health checkup camps at our premises. We have also assisted in spreading cleanliness in nearby villages. support villagers in opening bank accounts, and regularly advise them regarding financial planning.

CHAIRMAN MESSAGE

Dhirajlal Raichand Shah
Chairman of the Board

Dear Shareholders,

I am extremely delighted to present the Annual Report for the financial year 2020. During the year, the company achieved a total revenue of Rs. 383 crore. We believe that profitable companies do well in the current scenario of pandemic and any other volatile markets. We have been continuously focusing on increasing our margins rather than achieving higher sales volumes hence we have now shifted our focus more on revenue from manufacturing business and lower in trading business. Our focus on increasing profitability is paying off which is evident from the increase in EBIDTA margins to 8.05% during the financial year ended 31st March, 2020 as against EBIDTA margin of 7.09% for financial year ended 31st March, 2019. We are not an exception to the impact of pandemic during the last quarter of the financial year 2020, which had not only impacted our revenues but also our profitability.

Your company celebrates 36 glorious years in supplying yarns and fabrics (fashion, shirting & suiting, furnishing, and technical fabrics) to leading trading houses, garment exporters and fashion brands in India and across the world.

The demand for polyester yarn and fabric has been on the rise on account of increasing demand pick up across the World and in India. The company has been proactively capitalising on the Indian Textiles sector growth opportunities and increased its yarn and fabric manufacturing capacities over the last three decades. The total installed capacity for Fabric manufacturing is 40 million meters per annum while it is 22,200 tons per annum for manufacturing Yarns.

The company strives to offer innovative, customized, and value-added products to its customers through constant research and innovation. With all these, the company is confident of tapping more potential markets with its products.

Our large customers are garment manufacturers in Delhi, Mumbai and Bengaluru who are the garment manufacturers of top brands like M&S, Matalan, H&M, Ann Taylor, Van Heusen, Allen Solly, etc.

The offices were shut down during the lockdown phase, but the company adopted the work from home policy for office related work during the entire lockdown duration. With the lifting of the partial lockdown restrictions, the company has restarted its operations at manufacturing plants and at Surat offices, in a gradual manner from April 27, 2020. At all our manufacturing locations, necessary arrangements of sanitization, self-quarantine, and screening have been made, and are continuing to ensure a safe environment for our employees.

During the pandemic, the existing fabric manufacturing capacities were utilized for the manufacturing of the fabric meant for manufacturing of Personal Protective Equipment (PPE) kits. South India Textile Research Association, the nodal agency for approving fabric, had approved the fabric. This fabric also caters to a wide range of protective apparel for the medical, pharma, biotechnology, electronics, and food & beverage industry.

The performance in the first half of the current year had been subdued owing to the lockdowns imposed by the government, but we are witnessing a very good revival in demand in the second half.

The company is putting all efforts to convert this challenge into an opportunity by rationalizing the manpower cost and downsizing the other cost centers, while also putting its efforts to retain and add more customers for sustaining and increasing the demand. There is a strong and steady flow of orders and we expect it to continue through the entire second half of the year and further.

We are witnessing a strong recovery in sales because of the overall improvement in retail and e-commerce sales. The Company is witnessing an improvement in demand as the markets continue to recover from the slowdown caused by the pandemic. We are confident of a pick-up in demand in both domestic and export markets, as the supply chain disturbances and other constraints are expected to get normal.

The organized apparel industry has seen a shift from brick & mortar stores to a combination of online & offline model which eventually lead to the rise of brick and click model these days. E-commerce is where all action is and the women's wear segment is one of the segments, which has been doing well. This would augur well for our domestic and global branded clothes manufacturers, which in turn is going to benefit us.

Furthermore, Dilution of the non-core assets has enhanced cash flows of the company to the tune of Rs. 18.50 crore, which has been used to reduce debt and other working capital facilities.

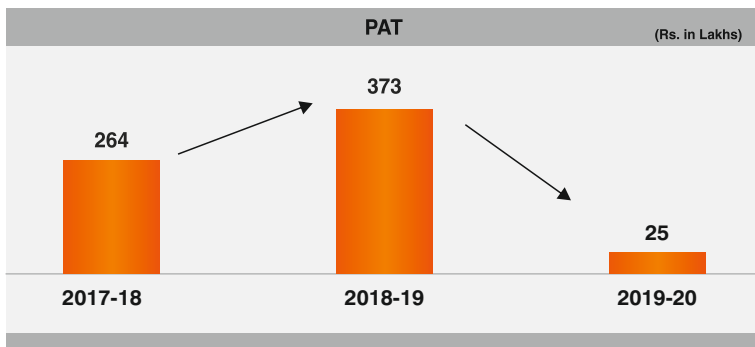

At Shahlon, we ensure that the changing market conditions shouldn't negatively influence the position of the company and hence take precautionary measures for the same in anticipation. The financial position of the company remains stable with healthy cash flows. We always believe in staying close to our core strengths and speak the same language with regard to our commitment towards the stakeholders.

I would like to take this opportunity to thank all our stakeholders for the continued dedication and belief they have shown in us as well as look forward to the long-lasting journey ahead.

With best wishes,

Chairman

Pursuant to the provisions of section 91 of the Companies Act, 2013, the register of members and share transfer books of the Company shall remain closed from **Saturday, 12th December, 2020 to Saturday, 26th December, 2020 (both days inclusive)** for the purpose of payment of Dividend for financial year ended 31st March, 2020 and the 12th AGM of the Company. The Record date for determining the name of the members eligible for Dividend on Equity share, if declared at this meeting, is Friday, **11th December, 2020**.

11. Dividend on equity shares, if declared at the annual general meeting, will be credited/dispatched on or after Saturday, **26th December, 2020** as under:

- a. to all those beneficial owners holding shares in electronic form, as per the beneficial ownership data made available to the Company by National Securities Depository Ltd. (NSDL) and the Central Depository Services (India) Ltd. (CDSL) as of the close of business hours on Friday, **11th December, 2020**; and
- b. to all those shareholders holding shares in physical form whose names stand on the Register of Members as on Friday, **11th December, 2020**.

12. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by uploading the same with the Companies RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or email to the RTA's Registered Email address at investor.ahm@bigshareonline.com by 11:59 p.m. IST on Friday, 11th December, 2020. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by uploading the same with the Companies RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or sending an email to the RTA's Registered Email address at investor.ahm@bigshareonline.com. The aforesaid declarations and documents need to be submitted by

the shareholders by 11:59 p.m. IST on 11th December, 2020 in order to enable the Company to determine and deduct appropriate TDS/withholding tax rate. No communication on the tax determination/deduction shall be entertained post 11th December, 2020. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from the shareholder, there would still be an option available with the shareholder to file the return of income and claim an appropriate refund, if eligible.

13. In view of the circular issued by SEBI, the Electronic Clearing Services ("ECS/NECS") facility should mandatorily be used by the companies for the distribution of dividend to its Members. In order to avail the facility of ECS/NECS, Members holding shares in physical form are requested to provide bank account details to the Company or its RTA.

Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.

14. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Bigshare Services Private Limited for assistance in this regard.

15. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code etc. to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, Bigshare Services Private Limited in case the shares are held by them in physical form.

SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Bigshare Services Private Limited

16. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2011-12, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government.

OPERATIONAL PERFORMANCE

During the year under review, your Company has achieved turnover of Rs.38251.80 lakh as against Rs.53206.14 lakh in the previous year approx. 28% lower as compared to previous financial year. Reduction in the revenue is mainly due to reduction in trading turnover from Rs. 23074.40 lakh to Rs. 11249.52 lakh even domestic sale was marginally down by approx. 8% and export sale was down by 17% due to adverse market condition and COVID 19 which effected the last quarter of the year. Further the prices of synthetic yarns has corrected by an average 10% -15% as compared to last year average hence even the volume in manufacturing sale has increased / remained flat as compared to last year but due to the effect of the reduction in prices the growth in sale is not visible.

Earnings before Interest, Depreciation and Tax (EBIDTA), during the year under review was Rs.3,251.97 lakh (8.50%) as compared to Rs.3,772.62 lakh(7.09%) in the previous year. Profitability has been affected mainly on account of reduction in volume even after improved EBIDTA margins. Profit before tax for the financial year under review was Rs.112.61 lakh decreased from Rs.488.86 lakh for the previous year. Your Company has earned a Net Profit after tax of Rs.25.41 lakh decreased from Rs.372.99 lakh compared to previous year.

INDIAN ACCOUNTING STANDARD

As mandated by the Ministry of Corporate Affairs, the financial statements for the year ended on March 31, 2020 has been prepared in accordance with the Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014. The estimates and judgments relating to the Financial Statements are made on a prudent basis, so as to reflect in a true and fair manner, the form and substance of transactions and reasonably present the Company's state of affairs, profits and cash flows for the year ended March 31, 2020.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy:

The global economy faced several challenges during the year 2019. Trade tensions between various nations, impending Brexit deal, risks of global recession, volatility in the crude oil market and various other geopolitical risks have negatively impacted world trade.

The rise in uncertainty because of these events has affected demand and therefore business sentiments. Investor confidence has fallen to a great extent, thereby shrinking investments in various sectors.

The struggling global economy was further worsened by the COVID-19 pandemic breakout and the economic shut down in advanced economies and other parts of the world

have disrupted billions of lives and are jeopardising decades of development progress.

The baseline forecast by World Bank envisions a 5.2% contraction in global GDP in 2020 – the deepest in eight decades. The global recession would be deeper, if bringing the pandemic under control took longer than expected, or if financial stress triggered cascading defaults. Adding fuel to the fire, an unprecedented collapse in oil demand, surge in oil inventories and steepest one month decline in oil prices have further escalated the economic distress. The fall in oil prices to some extent might help mitigate the misery of the emerging market and developing economies (EMDE) in their recovery path.

India's growth pattern (%)

	2017	2018	2019E	2020F	2021F
World	3.3	3.0	2.4	-5.2	4.2
EMDE	4.5	4.3	3.5	-2.5	4.6
India	7.0	6.1	4.2	-3.2	2.8

EMDE = Emerging Market and Developing Economies

Indian Economy

The Indian economy continued its growth trajectory by achieving 4.2% in 2019 though lower than estimated. A country-wide lock down was enforced by the government in late March 2020 due to the COVID-19 pandemic. The economic impact of this has been so devastating that manufacturing and services activity came to a grinding halt, resulting in demand falling to unprecedented lows that fed into PMI indices going into a free fall. The country is now faced with enormous job losses, migration of labour, increased expenses in medical and health infrastructure, lower tax collections and high fiscal deficit.

The Government of India has responded to this economic fallout by announcing two stimulus packages and liquidity easing measures to fuel the economic activity. The lockdown is being removed in a phased manner and efforts are being made to revive the manufacturing, services and other productive activities. However, with the resurgence of COVID-19 in China, New Zealand and the United States, with no cure or vaccine being found as yet, we are looking at uncertain and challenging times ahead.

Indian Textile Industry:

India's textile industry is one of the largest and most important sectors of the country's economy in terms of output, exports/foreign exchange earnings and employment. It contributed 7% of the industry output (in value terms), 2% to the GDP of India and employed more than 45 million people in FY19. The sector contributed 15 per cent to India's export earnings in FY19.

With the ensuing lockdowns worldwide and in India, the impact has increased manifold. Even before COVID-19, India's textile exports and companies were grappling with muted growth; with the lockdowns, the situation has worsened.

The economy as a whole and the textile industry in particular are staring at lower domestic and international demand due to anticipation of recession and job losses, falling exports, shortage of workmen due to migration and impact on margins. In all this gloom, we also see a silver lining for the Indian textile industry.

1. Post the pandemic, many countries and companies are likely to expand their supply nations rather than relying on a few countries. India can gain out of this if it manages to stay competitive.
2. The man-made fiber and cotton fiber ratio globally is 70:30 whereas in India it 30:70. A focus on man-made fiber will increase consumption and also gain market share.
3. The Government of India in the Union Budget announced in February, 2020 gave a fillip to this by meeting a long-standing demand of the industry by removing anti-dumping duty on PTA, a basic raw material required for the manufacture of man-made fiber. The textile industry is also suffering from inverted duty structure of Goods and Service Tax (GST), which the government is actively considering neutralizing. The government is also formulating a new textile policy which is expected to help the textile Industry grows at double digit rates.

Risk and concerns:

Shahlon is engaged in Manufacture of fabric on water jet looms, air jet looms & rapier looms and various yarn preparatory activities like sizing, texturising, yarn dyeing, twisting, crape, ply yarn etc. The basic raw material for

manufacturing company's product is POY, FDY, PFY etc. The company is a Marketing agent of Reliance Industries Limited for yarn products and supplying yarn to various big players in the market. Fluctuating prices of raw material is a big concern for the industry which may strain the profitability margins. The company has established network for marketing of its products, wide spread customer base, good market reputation and quality of the products, the company is in a position to pass on increase if any in cost to their customers.

Internal Control System and their adequacy:

The Company has a robust internal control system commensurate with the size and scale of its operations. Roles and responsibilities are clearly defined and assigned. Standard operating procedures are in place by way of built in controls in ERP system and have been designed to provide a reasonable assurance. Internal audit is used as an effective tool to check and enhance efficacy of systems, processes and controls of the Company. The review plan, drawn in consultation with the senior management, covers all the major areas. These are aimed at giving the Audit Committee a reasonable assurance on the reliability of financial reporting and statutory & regulatory compliances, effectiveness and efficiency of your Company's operations. The Internal Financial Control Systems are reviewed periodically and revised to keep in tune with the changing business environment.

Financial Performance:

The brief summary of financial statement is reproduced hereunder:

(Rs. in Lakhs)

Particulars	FY2018-19	FY2018-19
Revenue from operation	53,144.39	38,214.68
Other Income	61.76	37.11
Total Revenue	53,206.14	38,251.80
EBITDA	3,772.61	3,251.97
PBT	488.86	112.61
PAT	372.99	25.41

Company has achieved turnover of Rs.38251.80 lakh as against Rs.53206.14 lakh in the previous year approx. 28% lower as compared to previous financial year. Reduction in the revenue is mainly due to reduction in trading turnover from Rs. 23074.40 lakh to Rs. 11249.52 lakh even domestic sale was marginally down by approx. 8% and export sale was down by 17% due to adverse market condition and COVID 19 which effected the last quarter of the year. Further the prices of synthetic yarns has corrected by an average 10% -15% as compared to last year average hence even the volume in manufacturing sale has increased / remained flat as compared to last year but due to the effect of the reduction in prices the growth in sale is not visible.

EBIDTA margin of the company has improved to Rs.3251.97 lakh (8.50%) in FY 2019-20 as compared to Rs.3772.62 lakh (7.09%) in FY 2018-19. Profitability has been affected mainly on account of reduction in volume even after improved EBIDTA margins. Profit before tax for the financial year under review was Rs.112.61 lakh decreased from Rs.488.86 lakh for the previous year. The Company has earned a Net Profit after tax of Rs.25.41 lakh decreased from Rs.372.99 lakh compared to previous year.

Credit Ratings

As on 31.03.2020, for long term bank facilities of the company has been rated by CRISIL Limited. Long term rating has been assigned BB+ / Stable and short term rating A4+.

Outlook:

The company is taking all efforts to improve the quality and productivity to get more orders at competitive rates. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHAHLON SILK INDUSTRIES LIMITED,

Report on the Audit of the Financial Statements

Opinion:

We have audited the accompanying financial statements of **SHAHLON SILK INDUSTRIES LIMITED** ("the Company"), which comprises the Balance Sheet as at **March 31, 2020**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Cash Flow statement for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statement give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion:

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provision of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our

professional judgement, were of most significant in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In the audit of the current period, we do not have observed any key audit matters required to be reported separately.

Information Other than the Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards)

Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statement:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books;
 - c) The balance sheet, the statement of Profit and Loss including Other Comprehensive Income, the statement of Changes in Equity and the statement of Cash Flow dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on March 31, 2020 taken on

record by the Board of Directors, none of the directors is disqualified as on March 31, 2020, from being appointed as a director in terms of section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company does not have any pending litigation which would materially impact its Financial position; (Refer Point XV of Notes to Accounts)
 - ii. The company did not have any long-term contracts including derivative contracts for which they were any material foreseeable losses under the applicable law or accounting standards.
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the company.

Annexure – B to the Independent Auditor’s Report:

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Shahlon Silk Industries Limited of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SHAHLON SILK INDUSTRIES LIMITED** (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of

Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained, are sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all

material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Rounding of Amounts:

All amounts disclosed in these Financial Statements and notes have been rounded off the lakhs up to two decimals as per the requirement of Schedule III, unless otherwise stated.

2. Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable, taking in to account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue is recognized when the amount of revenue can be reliably measured and it is probable that the economic benefits will flow to the Company.

Revenue from rendering of service is recognized when the performance of agreed contractual task has been completed, if any.

a) Sale of Goods and Services:

Revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or services to the customers. Revenue from sale of goods or rendering of services is net off indirect taxes, returns and discounts.

Effective April, 1 2018 the Company has applied Ind AS 115 which replaces Ind AS 18 – Revenue Recognition.

The Company derives revenue primarily from sale of manufactured goods, traded goods and related services. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the company expects to receive in exchange for those products or services.

b) Late Payment Charges / Discount:

Late payment charges / discounts are recognized on the ground of prudence as and when recovered.

c) Interest Income:

Interest Income is recognized on accrual basis.

d) Commission Income:

Commission Income is recognized when the services are rendered.

e) Rental Income:

Rental income from property given on rent is recognized in accordance with the terms of the lease contracts over the lease term on systematic basis.

f) Dividend Income:

Dividends are recognized in statement of profit and loss when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

g) Job Work Income:

Revenue from job work is recognized on completion of the work and at the time when no significant uncertainty exists as to its determination and realization.

Notes to Financial Statements for the Year ended on 31st March, 2020

3. Government Grants:

Grants and subsidies from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to purchase of property, plant and equipment are included in the non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

As per the Second Amendment Rules 2018 notified by MCA on 20th September, 2018 amending IND-AS 20 – Government Grants, an alternative is provided to reporting entities whereby government grant related to assets can be presented by deducting the value of grant from the carrying amount of asset. The said amendment is applicable effective from reporting period beginning on or after 1st April, 2018.

IV. Tax Expenses:

The tax expense for the period comprise of current tax and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to recognized in the other Comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

- i) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- ii) Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the asset realized or the liability is settled based on tax

rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

- iii) Minimum Alternate Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognized as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

V. Property, plant and equipment

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) / Straight Line Method (SLM). Depreciation is provided as per revised useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Accordingly, the unamortised carrying value is being depreciated/ amortised over the revised/ remaining useful lives. The Residual value of all the new assets

Notes to Financial Statements for the Year ended on 31st March, 2020

have been considered at 5% cost of acquisition as prescribed under the Part C of Schedule II of the Companies Act, 2013

Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase. Freehold land is not depreciated. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Freehold land is carried at cost. The company has taken certain land on lease for period of 99 year and no amortization provided on these asset.

VI. Intangible assets (Excluding Goodwill)

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the assets can be measured reliably.

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

VII. Depreciation:

- 1) Depreciation on each part of an item of property, plant and equipment of the all the units is provided using the Written Down Method based on useful life of the asset as estimated by the management

and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013 except unit located at Village: Mota Borsara, Kim wherein depreciation is provided using the Straight Line Method based on useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013.

- 2) The estimated useful life of an assets has been assessed based on technical advise which considers the nature of the assets, the usage of the assets, expected physical wear and tear, the operating conditions of the assets, anticipated technological changes, manufactures warranties and maintenance support etc.
- 3) The expected useful lives of an asset as certified by the management may differ from the useful lives prescribed under Schedule II to the Companies Act, 2013.
- 4) The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as change in accounting estimate.

VIII. Impairment of non-financial assets - property, plant and equipment and intangible assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Notes to Financial Statements for the Year ended on 31st March, 2020

IX. Inventories:

Inventories are stated at cost or net realizable value, whichever is lower.

Costs incurred in bringing each product to its present location and condition, are accounted for as follows:

- i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average cost.
- ii) Finished goods: Cost of Finished Goods includes material cost, cost of conversion, other overheads to the extent applicable.
- iii) Work in progress: It is valued at cost determined by taking material cost, labor charges, and direct expenses.
- iv) Stock in trade: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- v) Stores and spares are stated at cost less provision, if any, for obsolescence.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

X. Finance Cost:

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying asset is deducted from the borrowing cost eligible for capitalization.

All Other borrowing costs are charged to statement of profit and loss for the period in which they are incurred.

XI. Foreign currencies transactions and translation:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss.

XII. Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets:

The company has acquired 99 years leasehold right of Plot no.: Composite unit- 1 and 2 AND Plot No. 3, 4, 5A and 15, Fairdeal Textile Park, Village: Mahuvej, Taluka: Mangrol, Dist.: Surat, by subscribing to the shares of Fairdeal Textile Park Pvt. Ltd. All the risk and rewards of the leasehold land has been transferred to the Company. The life of leasehold land has been considered beyond estimate because of the period of lease being 99 years and renewable thereafter gives the Company ownership of the plot in perpetuity. The leasehold land has been recognized at Nil value and the value of shares by virtue of which the Company acquired the leasehold right has been recognized in non-current asset at their historical cost.

Operating lease payments are recognized as an expense. Further, there is no outstanding lease contract which requires the treatment to recognize the right to lease asset and lease liability.

XIII. Employee Benefits:

I) Short Term Employee Benefits

All employee benefits falling due within twelve months of rendering of service are classified as short term employee benefits. The benefits like salaries, wages, bonus, leave salary, ex-gratia are recognized in the period in which employee renders the related services.

Notes to Financial Statements for the Year ended on 31st March, 2020

ii) Post-Employment Benefits

a) Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b) Defined Benefit Plans

Employee Gratuity fund scheme is the defined benefit plan. The Company makes annual contributions for gratuities to funds administered by trustees and managed by

insurance company for amounts notified by the said insurance company. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary. The company has policy of taking Actuarial valuation report at year end.

XIV. Provisions

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Notes to Financial Statements for the Year ended on 31st March, 2020

Contingent liability

Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent, and disclosed by way of notes to the accounts.

The amount payable is under dispute.

Contingent assets

Contingent assets are neither recognized not disclosed in the financial statement.

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

XV. Investments and other financial assets:

i) Classification:

The Company classifies its financial assets in the following measurement categories:

- a. Those to be measured subsequently at fair value (either through other comprehensive income or through statement of profit and loss); and
- b. Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

ii) Initial Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset.

Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit and loss.

iii) Subsequent measurement – Debt instruments

Subsequent measurement of the debt instruments depend on the Company's business model for managing asset and the cash flow characteristics of the asset. The Company classifies its debt instruments in the following three categories:

a) Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not a part of the hedging relationship is recognized in the statement of profit and loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

b) Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets where the assets' cash flows represent solely payments of principal and interest are measured at fair value through other comprehensive income (OCI). Movements in the carrying amount are taken through OCI, except for recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. When financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains / losses. Interest income from these financial assets is included in finance income using the effective interest rate method.

Notes to Financial Statements for the Year ended on 31st March, 2020

c) Fair value through profit or loss (FVPL)

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not a part of hedging relationship is recognized in the statement of profit and loss. Interest income from these financial assets is included in finance income.

iv) Subsequent measurement - Equity instruments:

The Company subsequently measures all equity instruments at fair value. When the management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss. Dividends from such investments are recognized in the statement of profit and loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at FVPL are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

v) The company has accounted for its investments in subsidiaries at cost less impairment loss (if any).

vi) Impairment of financial assets:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL)

Expected Credit Losses are measured through a loss allowances at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those defaults events on the financial instrument that are possible within 12 months after the reporting date)
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)
- For Trade Receivable the company applies 'Simplified Approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables.
- The Company uses historical default rates to determine impairment losses on the portfolio of trade receivable. At every reporting date these historical rates are reviewed and changes in the forward-looking estimates are analyzed.
- For other assets, the company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

De-recognition of financial assets:

A financial asset is derecognized when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. When the Company has transferred an asset, it evaluates whether it has transferred substantially all the risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. When the Company has neither transferred a financial asset nor retains substantially all the risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset.

Notes to Financial Statements for the Year ended on 31st March, 2020

XVI. Financial liabilities and equity instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in accordance with the Company's accounting policy for borrowing costs. Preference shares, which are mandatorily redeemable on a specific date, are classified as liabilities. The dividend on these preference shares are recognized as finance costs in the statement of profit and loss.

Fair value measurement of financial instruments:

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial

assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair value, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative financial instrument:

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

i) Financial assets or financial liabilities, at fair value through profit or loss:

This category has derivative financial assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under IndAS 109, Financial Instruments. Any derivative that is either not designated as hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance Sheet date.

ii) Cash Flow Hedge:

The Company designates certain foreign exchange forward and options contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions.

Notes to Financial Statements for the Year ended on 31st March, 2020

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income and accumulated in the cash flow hedging reserve. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the net profit in the Statement of Profit and Loss. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the net profit in the Statement of Profit and Loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified to net profit in the Statement of Profit and Loss.

De-recognition of financial liabilities:

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank, cash on hand and short term highly liquid investments with original maturities of three months or less that is readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XVII. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

XVIII. Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures. Uncertainty about the assumptions and estimates could result in outcomes that require a material adjustment to the carrying value of assets or liabilities affected in future period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

1) Judgment

In the process of applying the accounting policies, management has made the following judgments, which have significant effect on the amounts recognized in the Company's financial statements:

a) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss.

b) Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the

Notes to Financial Statements for the Year ended on 31st March, 2020

counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a) Useful lives of property, plant and equipment

The estimated useful lives of property, plant and equipment are based on a number of factors including the effects of obsolescence, demand, competition, internal assessment of user experience and other economic factors (such as the stability of the industry, and known technological advances) and the level of maintenance expenditure required to obtain the expected future cash flows from the asset. The Company reviews the useful life of property, plant and equipment at the end of each reporting date.

b) Post-retirement benefit plans

Employee benefit obligations (gratuity obligation) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

XIX. Earning in foreign exchange: F.O.B. values of exports
₹ 6446.50 lakhs (Pre. Year ₹ 7165.42 lakhs)

XX. Sales/Purchase included inter-divisional transfers of
₹ NIL (Pre. Year ₹ NIL lakhs)

Notes to Financial Statements for the Year ended on 31st March, 2020

XXI. Debtors of ₹ 10,384.23 lakhs includes ₹ 5.68 lakhs (Pre. Year ₹ 11,203.38 lakhs includes ₹ 0.98 lakhs) due from concern in which Directors are interested.

XXII. Global Health Pandemic on COVID – 19:

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operation of the companies, by way of interruption in production,

supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. On 24th March, 2020, the Government of India ordered a nationwide lockdown for 21 days which further got extended till 17th May, 2020 to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities.

In assessing the recoverability of company's assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the company has considered internal and external information. The company has performed sensitivity analysis on the assumptions used basis the internal and external information/indicators of future economic conditions, the Company expects to recover the carrying amount of the assets.
