OUR EVOLUTION

1984 - 2000

Started with 12 conventional power looms, early years defined path of our growth through the installation of 282 water-jet looms. Procurement of Reliance Industries' sales agency for synthetic yarn.

2000 - 2005

As the first of many eco-friendly initiatives, we incorporated green energy within our operations through a 1.25mw windmill. Installed an Effluent Treatment Plant (ETP) with the capacity to recycle 15 lakhs litres of water every day. We further expanded production capacity with installation 100 water-jet looms.

2005 - 2010

Incorporated more green energy in our operations by installing two windmill with capacity of 0.6mw each. Further installation of 14 polyester sizing machines, largest in Surat, newer and better technology made into our operations.

2011 - 2015

This period saw tremendous growth, with commencement of yarn dyeing. Further expansion of existing units.

2016 - 2019

Introduced finished fabric with additional yarn dyeing capacity, along with yarn space dyeing machine, 30 air jet looms and windmill with capacity of 2.10mw. We are a renowned firm operating on globally accepted standards and manufacture natural fibres like cotton, viscose and rayon.

CHAIRMAN MESSAGE

Dhirajlal Raichand Shah
Chairman of the Board

My Dear Fellow Shareowners'

Hope you all are safe and healthy in these difficult times of pandemic.

The Year under Review

FY21 has been a challenging year for everyone that started with countrywide lockdown imposed by Government due to COVID 19 pandemic. Turnover of the company reduced from Rs. 382.51 Crore in FY 20 to Rs. 214.86 Crore in FY 21 due to effect of pandemic in the first six month of the year. Your company therefore focused more on value added activities that has resulted in improved operational EBIDTA margins from 8.50% in FY 20 to 9.31% in FY 21. Performance of the company has substantially improved during the year, despite the challenging environment posed by the pandemic due to onetime gain of Rs. 13.60 Crore earned on compulsory acquisition of property by Government of India for Vadodara Mumbai Express highway. Your Company has registered a substantial growth in Net profit to Rs. 3.47 crore. The growth during the year was driven by more focus on value added activities and cost saving measures adopted.

We are Capable, Adaptable and Reliable

We have strong foothold places in a favourable position to leverage on the prevalent opportunities. Our resources, capacities, and a dedicated team supported us to deliver even amid such difficult times. Our state-of-the art manufacturing facilities, reliable supply-chain network outlines our capabilities. There is a significant disruption in the industry and consumer preference is increasingly evolving to value-added categories like health and wellness. Our superior quality, innovation and knowledge capital have made us adaptable and helped us carve a niche in the market for value-added products.

“Companies complement each other in managing risks and financial resources which will facilitate effective management of investments and synergies in operations”

“Our focus will be to emerge as the most preferred organized player for our esteemed clientele in textile industry”

The Global Context and outlook

The world is still under the effects of the COVID-19 pandemic. However, vaccine rollouts have strengthened business confidence, boosting the morale as the economy gradually moves towards recovery mode. With the easing of lockdown restrictions and resumption of business, the industry is gradually returning to pre-pandemic levels demonstrating a distinctive change in the market dynamics.

Pandemic has changed the world order and seems world countries looking at China plus one policy for sourcing their requirements which may create more opportunities in India. Overseas freights have significantly increased globally and limited availability of containers for exports has also been an issue due to pandemic which is also playing a pivotal role in export and import. Even the Production Linked Incentive Scheme (PLIs) of Ministry of Textile, Government of may become important milestone in creating big size and scale manufacturing facilities in the textile sector.

We have set ourselves on a brighter path and are optimistic about the opportunities in the near-term. Second wave of pandemic has slowed down the recovery of businesses and the third wave of the pandemic in other counties creating worries about the further hindrance in recovery. As the world is recovering from the effects of the pandemic, 'Home' has retained its position as a safe haven among people, globally. With this as the backdrop, we are anticipating continued demand from retailers and consumers. We are well poised to accomplish the next phase of our growth. As an organisation, we are confident of our position as a textile manufacturer and exporter. We are moving ahead with our prudent strategies and resources, to continue delivering sustainable value and contributing to the larger vision of development. Our focus will always remain towards constantly improving utilisation and expanding the share of our value-added products

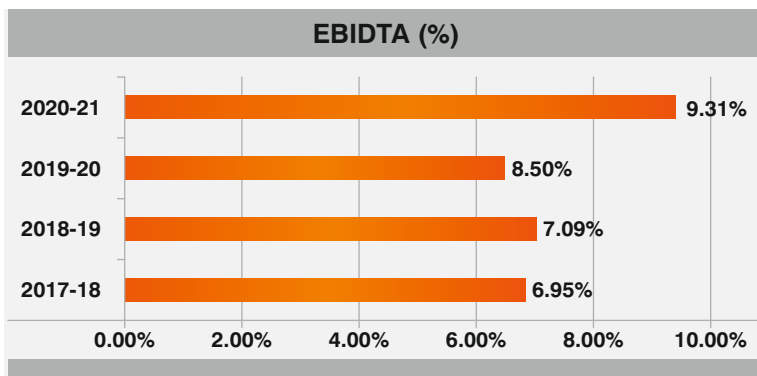

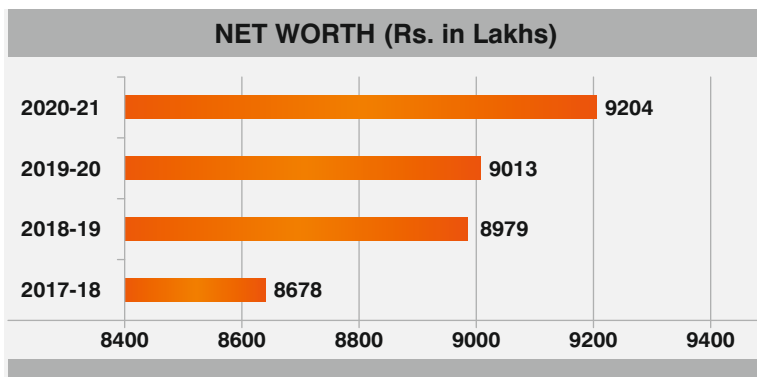

Vote of Thanks

We all went through an unprecedented situation and I would like to thank all our stakeholders for their continued support during these difficult times. I take this opportunity to thank and appreciate all our employees for their hard work, dedication and sacrifice that have helped us to achieve our goals, during such a challenging year. I also thank my fellow Directors on the Board for their advice and guidance from time to time. I would also like to express my deep gratitude to all our customers, suppliers, bankers' the Central and State Governments, shareholders and all other stakeholders for their continued support, confidence and trust on us.

9. The Explanatory statement pursuant to Section 102 of the Companies Act, 2013 setting out material facts relating to Special Business to be transacted at the Annual General Meeting (“AGM”) is annexed hereto.
10. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, of the person seeking appointment/ re-appointment as Director, are also annexed.
11. Pursuant to the provisions of section 91 of the Companies Act, 2013, the register of members and share transfer books of the Company shall remain closed from **Saturday, 18th September, 2021 to Thursday, 30th September, 2021 (both days inclusive)** for the purpose of payment of Dividend for financial year ended 31st March, 2021 and the 13th AGM of the Company. The Record date for determining the name of the members eligible for Dividend on Equity share, if declared at this meeting, is **Friday, 17th September, 2021**.
12. Dividend on equity shares, if declared at the annual general meeting, will be credited/dispatched on or after **Thursday, 30th September, 2021** as under:
 - a. to all those beneficial owners holding shares in electronic form, as per the beneficial ownership data made available to the Company by National Securities Depository Ltd. (NSDL) and the Central Depository Services (India) Ltd. (CDSL) as of the close of business hours on **Friday, 17th September, 2021**; and
 - b. to all those shareholders holding shares in physical form whose names stand on the Register of Members as on **Friday, 17th September, 2021**.
13. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. 1st April, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company/RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by uploading the same with the Company's RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or email to the RTA's Registered Email address at investor.ahm@bigshareonline.com by 11:59 p.m. IST on **Friday, 17th September, 2021**. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by uploading the same with the Company's RTA at <https://www.bigshareonline.com/dividendTDS.aspx> or sending an email to the RTA's Registered Email address at investor.ahm@bigshareonline.com. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. IST on **17th September, 2021** in order to enable the Company to determine and deduct appropriate TDS/withholding tax rate.

No communication on the tax determination / deduction shall be entertained post **17th September, 2021**. It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents from the shareholder, there would still be an option available with the shareholder to file the return of income and claim an appropriate refund, if eligible.

14. In view of the circular issued by SEBI, the Electronic Clearing Services (“ECS/NECS”) facility should mandatorily be used by the companies for the distribution of dividend to its Members. In order **to avail the facility of ECS/NECS, Members holding shares in physical form are requested to provide bank account details to the Company or its RTA.**

Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the

Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members.

15. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Bigshare Services Private Limited for assistance in this regard.
16. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code etc. to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, Bigshare Services Private Limited in case the shares are held by them in physical form.

SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to Bigshare Services Private Limited

17. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2012-13, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government.

- c) Members may note that shares as well as unclaimed dividends transferred to IEPF Authority can be claimed back from IEPF Authority. Concerned members/investors are advised to visit the web link: <http://www.iepf.gov.in/IEPF/refund.html> or Bigshare Services Private Limited, the Registrar and Share Transfer Agent of the Company for lodging claim for refund of shares and / or dividend from the IEPF Authority. Please quote on all such correspondence - "Unit - Shahlon Silk Industries Ltd." **For Shareholders queries – Telephone No. +91-79-40392571, Email : bssahd@bigshareonline.com**
19. Members seeking any information concerning the accounts and operations are requested to send their queries to the company at least 10 days before the date of the meeting, so that information required can be made available at the meeting.
20. Non-resident Indian shareholders are requested to inform about the following immediately to the Company or its RTA or the concerned Depository Participant, as the case may be:
- a) change in the residential status on return to India for permanent settlement.
- b) particulars of the NRE account with a Bank in India, if not furnished earlier.
21. The Board of Directors has appointed Shri Bhairav H. Shukla, Practicing Company Secretary (Membership No. FCS 6212) as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
- 22. THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
- (i) The voting period begins on **27th September, 2021 (9.00 a.m.)** and ends on **29th September, 2021 (5.00 p.m.)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **24th September, 2021** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote during the meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD /CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD /CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. ITEM NO. 5 & 6 OF THE NOTICE

The Equity Shares of your Company are listed and traded on BSE Ltd. With a view to encourage wider participation of small investors and to enhance the liquidity of the Equity Shares at the Stock Market, the Board of Directors at its meeting held on June 29, 2021 has considered and recommended the subdivision of 1 (One) Equity Share of the Company of the face value of Rs.10/- (Rupees Ten Only) each into 5 (Five) Equity Shares of the Company of face value of Rs. 2/- (Rupees Two only) each fully paid up subject to approval of the Members and other statutory and regulatory approvals, as applicable. Presently, the Authorized Share Capital of the Company is Rs.32,00,00,000/- (Rupees Thirty-Two Crores Only) divided into 3,20,00,000 Equity Shares of Rs.10/- each and the paid-up share capital of the Company is Rs.17,86,04,900/-

divided into 1,78,60,490 Equity Shares of Rs.10/- each fully paid-up. The proposed subdivision of equity shares will not result in any change in the amount of authorized and paid-up share capital of the Company. The sub-division as aforesaid would also require consequential amendments to the existing Clause V of the Memorandum of Association ("MOA") of the Company as set out in Item No. 6 of the Notice to reflect the change in face value of each Equity Share of the Company from existing Rs.10 (Rupees Ten only) each to proposed Rs.2/- (Rupees Two only) each. As per the provision of the Section 13 and 61 of the Companies Act, 2013, any alteration in the Capital clause of MOA of the Company shall be effected only after the approval of the Members by passing an Ordinary Resolution.

REPORT ON CORPORATE GOVERNANCE

1. Company's Philosophy on the Code of Governance:

Shahlon's philosophy of undertaking business through ethical and fair means has been its foundation. The company's management firmly believes that good corporate governance should be internally driven and not to be looked upon just as an issue of compliance dictated by statutory requirements. Shahlon's philosophy on corporate governance envisages the attainment of the highest level of transparency, integrity, honesty and accountability in all facets of its operations. We consistently and periodically review our systems and policies in order to establish sound

risk management and internal control systems. Rapid problem solving approach and incessant fulfillment of the expectations of shareholders, customers, suppliers, lenders and society as a whole is reflective of eminent Corporate Governance Policies at Shahlon.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economy:

Global economy contracted by 3.3% in 2020 as estimated by the IMF. The widespread, synchronous and deep impact on economic activity was unprecedented, and nothing close to seen by a generation. Governments around the world rushed in with extra-ordinary policy support which limited the economic impact that could have otherwise ensued.

As the world tries to vaccinate itself out of this pandemic, the mutations and pathways of the disease evolution are very much unknown, and will continue to cast shadow of uncertainty on the outlook. 2021 is expected to see a global GDP growth of 6% on the previous year's reduced base, and 2022 will likely grow by another 4.4%. The outlook forward is likely to be defined by the ability of countries and regions to respond to the pandemic challenge. The wide variation in success of this response, and incidence of multiple waves is likely to be reflected in the variations in the economic activity as well.

US, which was battered by the pandemic in most part of 2020, got off to a blistering start in terms of economic growth in first quarter of 2021. The real GDP grew by 6.4% on an annualized basis, driven by consumer spending on goods, business investment in equipment, and Federal government purchases of non-defence items. In the Eurozone and the United Kingdom, activity is recovering but expected to remain below end-of-2019 levels into 2022. China has been the most successful among major economies to contain the pandemic, and is likely to continue seeing robust growth. In general, tourism-based economies, and relatively poor countries will continue to be severely challenged in their recovery resulting in increasing gap between the economies.

Consumer spend in recovering economies is expected to be strong as pent-up demand and inability to spend on services creates high discretionary spend on goods. A large portion of this is expected to be absorbed by durables, especially the automobiles sector. Global textiles and apparel manufacturing continued to trail at 10% below 2019 levels, and by some estimates lost 92% of economic profits in 2020.

Indian Economy:

The Indian economy contracted by 7% during the financial year ending March 2021. The economy which had fell off the cliff in Q1, started to show V-shaped recovery primarily powered by government expenditure and exports. 15+%

contraction in the first half was offset by 3% growth in the second half. Consumer demand also showed spikes in limited pockets in specific time windows.

Aided by an accommodative monetary policy, and a stable fiscal policy and outlook laid out in the budget, asset markets continued to be strong as the fiscal 2021 drew to a close. Before the plunge of 2nd wave, it was widely estimated that the Indian economy will clock a strong 12%+ growth in FY22. The developments in April 2021 have created a huge uncertainty around this outlook, and most agencies have been revising down the growth expectations.

Indian Textile Industry:

India's textile industry is one of the largest and most important sectors of the country's economy in terms of output, exports/foreign exchange earnings and employment. Textile & garments industry in India is expected to reach US\$223 Billion by 2021 from US\$140.4 Billion in 2020. India is the third-largest textile manufacturing industry and contributes approximately 6% to the total textile production, globally.

India ranks 2nd as the largest producer of textiles and garments and is the 5th largest exporter of textiles spanning apparel, home and technical products.

The Indian textile industry is set for growth, buoyed by both strong domestic consumption as well as export demand. Favourable demographic, rising per capital income and a shift in customer preference to branded products is expected to revive the textile industry which has been severely impacted by the COVID-19 pandemic.

The Government of India is working on major initiatives and reforms in the Textile sector, including launch of a 'Mega Integrated Textile Region and Apparel (MITRA) Park' scheme to establish seven textile parks with state-of-the-art infrastructure, common utilities and R&D lab over a three-year period; starting a focused product scheme; positioning the country as a global hub in the man-made fibre (MMF) and technical textiles segments. Competitive advantage, robust demand, favourable government policies, increasing investments and urbanization are expected to be the key drivers for revival of the industry.

Opportunities, Threats, Risk and concerns:

As the country and businesses are recovering from the shocks of the second wave of COVID 19 there are possibilities of the third wave. Some of the countries have

been adversely effected due to the third wave of COVID and put restrictions again. Government is aggressively carrying out vaccination program to vaccinate all citizens in our country which may increase the confidence among the peoples. It all depends how fast we can vaccinate our people to help in boosting confidence and reducing uncertainties. Further abnormal increase in input cost and substantial rise in the overseas freights has created further challenges among manufacturers and exporters.

Risk of loss of life due to Covid has increased which may be the loss of any personnel at any level in the factories, just as it does to the wider public. Risks related to the market in which we operate, may affect our profitability negatively if further restrictions / shutdown imposed due to third wave or if we are unable to eliminate fixed or committed costs in line with reduced demand.

Major concern is volatility in yarn prices, the prices of yarns have substantially increased in last year and remained volatile. Market takes time to absorb above increase in prices at garment / fabric stage considering MRP increase on finished product is not an option in current scenario. Further, limited manufacturing capacity due to unavailability of workers, as against order received from customers.

Shahlon is engaged in Manufacture of fabric on water jet looms, air jet looms & rapier looms and various yarn preparatory activities like sizing, texturising, yarn dyeing, twisting, crape, ply yarn etc. The basic raw material for manufacturing company's product is POY, FDY, PFY etc. The company is a Marketing agent of Reliance Industries Limited for yarn products and supplying yarn to various big players in the market. Fluctuating prices of raw material is a big concern for the industry which may strain the profitability margins. The company has established network for marketing of its products, wide spread customer base, good market reputation and quality of the products, the company is in a position to pass on increase if any in cost to their customers.

After covid 19 2nd wave, we are getting good inquiry from local and abroad. It will give boost our technical team to develop new product, improve manpower skill, machinery, infrastructure and quality standard. We hope in near future we can get good orders from local and abroad and it will boost our production.

Internal Control System and their adequacy:

The Company believes that Internal Control is one of the key pillars of governance, which provides freedom to the

management within a framework of appropriate checks and balances. The Company has a robust internal control framework, which has been developed considering the nature, size and risks in the business.

The Company has adequate internal control systems in place and also has reasonable assurance on authorizing, recording and reporting transactions of its operations. The Company has well-placed, proper and adequate internal controls environment, commensurate with its size, scale and complexities of its operations. The Company had already developed and implemented a framework for ensuring internal controls over financial reporting. This framework includes entity level policies, processes and operating level standard operating procedures (SOP). Internal control systems are an integral part of your Company's Corporate Governance structure. Information Technology (IT) policies and processes also ensure that they mitigate the current business risks. The Company has successfully implemented ERP software system, supported by BI tools. The systems and processes are continuously improved by adopting best in class processes and automation and implementing the latest IT tools which help further for maintaining financial and commercial discipline. These have been designed to provide reasonable assurance with regard to credibility of data and compliances, inter-alia:

- a) Recording and providing reliable financial and operational information;
- b) Complying with the applicable statutes;
- c) Safeguarding assets from unauthorized use;
- d) Executing transactions with proper authorization, and ensuring compliance with corporate policies;
- e) Prevention and detection of Frauds / errors;
- f) Continuous updating of IT systems.

These are aimed at giving the Audit Committee a reasonable assurance on the reliability of financial reporting and statutory & regulatory compliances, effectiveness and efficiency of your Company's operations. The Internal Financial Control Systems are reviewed periodically and revised to keep in tune with the changing business environment.

Statutory Auditors of the company has conducted audit of internal financial control system over financial reporting and operating effectiveness of such controls. Separate audit report on internal financial control is annexed to Auditors Report and forming part of this report.

Financial Performance:

The brief summary of financial statement is reproduced hereunder:

(Rs. in Lakhs)

Particulars	FY2020-21	FY2019-20
Revenue from operation	21,441.69	38,214.68
Other Income	44.70	37.11
Total Revenue	21,486.39	38,251.80
Profit (loss) on sale of Assets/Investment	1,360.23	-
EBITDA	3,360.87	3,251.97
Operational EBITDA	2,000.64	3,251.97
PBT	496.00	112.61
PAT	347.07	25.41

During the year under review, your Company has achieved turnover of Rs.21486.39 lakh as against Rs.38251.80 lakh in the previous year approx. 44% lower as compared to previous financial year. Reduction in the turnover is mainly due to first half of the year is adversely impacted on account of the lockdown imposed by the Government of India due to Covid-19 pandemic and restricted operational activities. Accordingly, operational and financial performance of the company for the year under review is not comparable with the previous year.

Operational Earnings before Interest, Depreciation and Tax (Operational EBITDA), during the year under review was Rs. 2,000.64 lakh as compared to Rs.3,251.97 lakh in the previous year. There was operational loss of Rs.864.23 lakh on account of reduction in volume during the year under review. Exceptional items include Profit on disposal of Land and Building under compulsory acquisition by Government of India for Vadodara - Mumbai Express Highway of Rs.1360.23 lakhs. Profit after tax for the financial year under review was Rs.347.07 lakh as against Rs.25.41 lakh for the previous year.

Outlook:

In the coming year FY 2021-22, we are foreseeing increase in demand since few export customers have started shifting their orders from China to India. Indian Government will also promote the export and will provide incentive schemes for exports, which will increase the income and decrease the deficit.

However, the Global market outlook is still not clear because of the new strain of Corona virus, world-wide. Vaccination drive has started and there is hope to cover most of the population by 3rd quarter across the globe.

There are signs of pickup in economic activity and the recovery should gather pace by the end of first quarter FY22, helped by the decline in COVID cases and faster vaccination.

Human Resource Development/Industrial Relations:

The industrial relations scenario continued to be largely positive across the manufacturing locations. Significant emphasis was also laid towards raising awareness on health and wellness of employees through annual medical check-ups and health awareness activities. Your Company has arranged the vaccination camps in the Company premises for the Company's staff and workers as well as for surrounding industries' workers. Accordingly, most of the staff including labours are fully vaccinated in the Company.

Shahlon recognizes that its people are most valuable resources and therefore as a policy of nurturing talent and ensuring that there is growth and their capabilities grow in relation to the growth of the company. The human resources function takes into account the capability, commitment and sincerity while evaluating talent within the company and suitable reward structure is in place to ensure maximum employee satisfaction. Regular training programs have been in place to improve the work capability at various levels in order to improve the competencies and skills.

Key Financial Ratios:

Particulars	FY2020-21	FY2019-20
Debtors Turnover	95	157
Inventory Turnover	68	143
Interest Coverage Ratio	1.06	1.28
Current Ratio	1.13	1.21
Debt Equity Ratio	1.71	1.65

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHAHLON SILK INDUSTRIES LIMITED,

Report on the Audit of the Financial Statements

Opinion:

We have audited the accompanying Financial Statements of **SHAHLON SILK INDUSTRIES LIMITED** ("the Company"), which comprises the Balance Sheet as at **March 31, 2021**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in Equity and the Cash Flow statement for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion:

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Statements under the provision of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgement, were of most significant in our

audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In the audit of the current period, we do not have observed any key audit matters required to be reported separately.

Information Other than the Financial Statements and Auditor's Report Thereon:

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of

the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books;

Annexure – B to the Independent Auditor’s Report:

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Shahlon Silk Industries Limited of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SHAHLON SILK INDUSTRIES LIMITED** (“the Company”) as of March 31, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of

Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidences we have obtained, are sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial

controls over financial reporting were operating effectively as at March 31, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TOTAL	9,613.74	10,320.54

Note: Expected credit loss (ECL):

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Before accepting any new customer, the Company uses an internal credit scoring system to assess the potential customer's credit quality and defines credit limits for each customer. Limits and scoring attributed to customers are reviewed once a year."

As a practical expedient, the Company uses a provision matrix to determine impairment loss of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. The ECL allowance (or reversal) during the year is recognized in the statement of profit and loss.

Notes to Financial Statements for the Year ended on 31st March, 2021

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

Rounding of Amounts:

All amounts disclosed in these Financial Statements and notes have been rounded off to lakhs up to two decimals as per the requirement of Schedule III, unless otherwise stated.

2. Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable, taking in to account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue is recognized when the amount of revenue can be reliably measured and it is probable that the economic benefits will flow to the Company.

Revenue from rendering of service is recognized when the performance of agreed contractual task has been completed, if any.

a) Sale of Goods and Services:

Revenue is recognized at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the goods or services to a customer i.e. on transfer of control of the goods or services to the customers. Revenue from sale of goods or rendering of services is net off indirect taxes, returns and discounts.

The Company derives revenue primarily from sale of manufactured goods, traded goods

and related services. Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the company expects to receive in exchange for those products or services.

b) Late Payment Charges / Discount:

Late payment charges / discounts are recognized on the ground of prudence as and when recovered.

c) Interest Income:

Interest Income is recognized on accrual basis.

d) Commission Income:

Commission Income is recognized when the services are rendered and it is probable that future economic benefits will flow in the company.

e) Rental Income:

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit and loss due to its operating nature.

f) Dividend Income:

Dividends are recognized in statement of profit and loss when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

g) Job Work Income:

Revenue from job work is recognized on completion of the work and at the time when no significant uncertainty exists as to its determination and realization.

Notes to Financial Statements for the Year ended on 31st March, 2021

3. Government Grants:

Grants and subsidies from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to purchase of property, plant and equipment are included in the non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

As per the Second Amendment Rules 2018 notified by MCA on 20th September, 2018 amending IND-AS 20 – Government Grants, an alternative is provided to reporting entities whereby government grant related to assets can be presented by deducting the value of grant from the carrying amount of asset. The said amendment is applicable effective from reporting period beginning on or after 1st April, 2018.

IV. Tax Expenses:

The tax expense for the period comprise of current tax and deferred tax. Tax is recognized in Statement of Profit and Loss, except to the extent that it relates to recognized in the other Comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

- i) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- ii) Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the asset realized or the liability is settled based on tax

rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

- iii) Minimum Alternate Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognized as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

V. Property, plant and equipment

Property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs (if capitalisation criteria are met) and other cost directly attributable to bringing the asset to its working condition for the intended use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided as per revised

Notes to Financial Statements for the Year ended on 31st March, 2021

useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Accordingly, the unamortised carrying value is being depreciated/ amortised over the revised/ remaining useful lives. The Residual value of all the new assets have been considered at 5% cost of acquisition as prescribed under the Part C of Schedule II of the Companies Act, 2013

Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase. Freehold land is not depreciated. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Freehold land is carried at cost. The company has taken certain land on lease for period of 99 year and no amortization provided on these asset.

VI. Intangible assets (Excluding Goodwill)

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the assets can be measured reliably.

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

VII. Depreciation:

- 1) Depreciation on each part of an item of property, plant and equipment of the all the units is provided using the Written Down Method based on useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013 except unit located at Village: Mota Borsara, Kim wherein depreciation is provided using the Straight Line Method based on useful life of the asset as estimated by the management and is charged to the Statement of Profit and Loss as per the requirement of Schedule II of the Companies Act, 2013.
- 2) The estimated useful life of an assets has been assessed based on technical advice which considers the nature of the assets, the usage of the assets, expected physical wear and tear, the operating conditions of the assets, anticipated technological changes, manufactures warranties and maintenance support etc.
- 3) The expected useful lives of an asset as certified by the management may differ from the useful lives prescribed under Schedule II to the Companies Act, 2013.
- 4) The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as change in accounting estimate.

VIII. Impairment of non-financial assets - property, plant and equipment and intangible assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the

Notes to Financial Statements for the Year ended on 31st March, 2021

estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

IX. Inventories:

Inventories are stated at cost or net realizable value, whichever is lower.

Costs incurred in bringing each product to its present location and condition, are accounted for as follows:

- i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average cost.
- ii) Finished goods: Cost of Finished Goods includes material cost, cost of conversion, other overheads to the extent applicable.
- iii) Work in progress: It is valued at cost determined by taking material cost, labour charges, and direct expenses.
- iv) Stock in trade: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- v) Stores and spares are stated at cost less provision, if any, for obsolescence.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

X. Finance Cost:

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying asset is deducted from the borrowing cost eligible for capitalization.

All Other borrowing costs are charged to statement of profit and loss for the period in which they are incurred.

XI. Foreign currencies transactions and translation:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss.

XII. Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets:

The company has acquired 99 years leasehold right of Plot no.: Composite unit 1 and 2 & Plot No. 3, 4, 5A and 15, Fairdeal Textile Park, Village: Mahuvej, Taluka: Mangrol, Dist.: Surat, by subscribing to the shares of Fairdeal Textile Park Pvt. Ltd. All the risk and rewards of the leasehold land has been transferred to the Company. The life of leasehold land has been considered beyond estimate because of the period of lease being 99 years and renewable thereafter gives the Company ownership of the plot in perpetuity. The leasehold land has been recognized at Nil value and the value of shares by virtue of which the Company acquired the leasehold right has been recognized in non-current asset at their historical cost.

Operating lease payments are recognized as an expense. Further, there is no outstanding lease contract which requires the treatment to recognize the right to lease asset and lease liability.

Notes to Financial Statements for the Year ended on 31st March, 2021

XIII. Employee Benefits:

i) Short Term Employee Benefits

All employee benefits falling due within twelve months of rendering of service are classified as short term employee benefits. The benefits like salaries, wages, bonus, leave salary, ex-gratia are recognized in the period in which employee renders the related services.

ii) Post-Employment Benefits

a) Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b) Defined Benefit Plans

Employee Gratuity fund scheme is the defined benefit plan. The Company makes annual contributions for gratuities to funds administered by trustees and managed by insurance company for amounts notified by the said insurance company. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary. The company has policy of taking Actuarial valuation report at year end.

I. Characteristics of Defined Benefit Plan:

The Entity has a defined benefit gratuity plan in India (funded). The Entity's defined benefit gratuity plan is a final salary plan

for employees, which requires contribution to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. During the year, there were no plan amendments, curtailments and settlements.

II. Risk associated with Defined Benefit Plan:

Gratuity is a defined benefit plan and entity is exposed to the Following Risks:

Interest rate Risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Notes to Financial Statements for the Year ended on 31st March, 2021

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality Risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk.

A separate trust fund is created to manage the Gratuity plan and the contributions towards the trust fund is

done as guided by Rule 103 of Income Tax Rules, 1962.

XIV. Provisions

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liability

Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent, and disclosed by way of notes to the accounts.

The amount payable is under dispute.

Contingent assets

Contingent assets are neither recognized not disclosed in the financial statement.

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

XV. Investments and other financial assets:

i) Classification:

The Company classifies its financial assets in the following measurement categories:

- a. Those to be measured subsequently at fair value (either through other comprehensive income or through statement of profit and loss); and
- b. Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

ii) Initial Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable

to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit and loss.

iii) Subsequent measurement – Debt instruments

Subsequent measurement of the debt instruments depend on the Company's business model for managing asset and the cash flow characteristics of the asset. The Company classifies its debt instruments in the following three categories:

a) Amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not a part of the hedging relationship is recognized in the statement of profit and loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

b) Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets where the assets' cash flows represent solely payments of principal and interest are measured at fair value through other comprehensive income (OCI). Movements in the carrying amount are taken through OCI, except for recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. When financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains / losses. Interest income from these financial assets is included in finance income using the effective interest rate method.

Notes to Financial Statements for the Year ended on 31st March, 2021

c) Fair value through profit or loss (FVPL)

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not a part of hedging relationship is recognized in the statement of profit and loss. Interest income from these financial assets is included in finance income.

iv) Subsequent measurement - Equity instruments:

The Company subsequently measures all equity instruments at fair value. When the management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss. Dividends from such investments are recognized in the statement of profit and loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at FVPL are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

- v) The company has accounted for its investments in subsidiaries at cost less impairment loss (if any).

vi) Impairment of financial assets:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL)

Expected Credit Losses are measured through a loss allowances at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those defaults events on the financial instrument

that are possible within 12 months after the reporting date)

- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)
- For Trade Receivable the company applies 'Simplified Approach'. Under the simplified approach the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
- The Company uses historical default rates to determine impairment losses on the portfolio of trade receivable. At every reporting date these historical rates are reviewed and changes in the forward-looking estimates are analyzed.
- For other assets, the company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Derecognition of financial assets:

A financial asset is derecognized when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. When the Company has transferred an asset, it evaluates whether it has transferred substantially all the risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. When the Company has neither transferred a financial asset nor retains substantially all the risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset.

Notes to Financial Statements for the Year ended on 31st March, 2021

XVI. Financial liabilities and equity instruments:

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in accordance with the Company's accounting policy for borrowing costs. Preference shares, which are mandatorily redeemable on a specific date, are classified as liabilities. The dividend on these preference shares are recognized as finance costs in the statement of profit and loss.

Fair value measurement of financial instruments:

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized. For financial assets and liabilities maturing within one year from the Balance Sheet date and which are not carried at fair

value, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative financial instrument:

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

i) Financial assets or financial liabilities, at fair value through profit or loss:

This category has derivative financial assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated as hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the Statement of Profit and Loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance Sheet date.

ii) Cash Flow Hedge:

The Company designates certain foreign exchange forward and options contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions.

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in other comprehensive income and

Notes to Financial Statements for the Year ended on 31st March, 2021

accumulated in the cash flow hedging reserve. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the net profit in the Statement of Profit and Loss. If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the net profit in the Statement of Profit and Loss upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified to net profit in the Statement of Profit and Loss.

De-recognition of financial liabilities:

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

Cash and cash equivalents:

Cash and cash equivalents comprise cash at bank, cash on hand and short term highly liquid investments with original maturities of three months or less that is readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

XVII. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

XVIII. Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments,

estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures. Uncertainty about the assumptions and estimates could result in outcomes that require a material adjustment to the carrying value of assets or liabilities affected in future period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

1) Judgment

In the process of applying the accounting policies, management has made the following judgments, which have significant effect on the amounts recognized in the Company's financial statements:

a) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss.

b) Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

Notes to Financial Statements for the Year ended on 31st March, 2021

c) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a) Useful lives of property, plant and equipment

The estimated useful lives of property, plant and equipment are based on a number of factors including the effects of obsolescence, demand, competition, internal assessment of user experience and other economic factors (such as the stability of the industry, and known technological advances) and the level of maintenance expenditure required to obtain the expected future cash flows from the asset. The Company reviews the useful life of property, plant and equipment at the end of each reporting date.

b) Post-retirement benefit plans

Employee benefit obligations (gratuity obligation) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

Notes to Financial Statements for the Year ended on 31st March, 2021

XIX. Earning in foreign exchange: F.O.B. values of exports ₹4110.83 lakhs (Pre. Year ₹6446.50 lakhs)

XX. Sales/Purchase included inter-divisional transfers of ₹NIL (Pre. Year ₹NIL lakhs)

XXI. Debtors of ₹9,613.74 lakhs includes ₹94.23 lakhs (Pre. Year ₹10,320.54 lakhs includes ₹5.68 lakhs) due from concern in which Directors are interested.

XXII. Global Health Pandemic on COVID – 19:

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing,

and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown.

COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc.

In assessing the recoverability of Company's assets such as Investments, Loans, intangible assets, Goodwill, Trade receivable etc. the company has considered internal and external information. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information/indicators of future economic conditions, the Company expects to recover the carrying amount of the assets.
