EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:**Item No. 4 of the Notice**

The Explanatory Statement for this Item No. 4 is being provided voluntarily, though strictly not required as per Section 102 of the Companies Act, 2013 ('the Act'). In terms of Section 139(1) of the Companies Act, 2013, no listed company can appoint or re-appoint an audit firm (including its affiliate firm) as auditor for more than two (2) terms of five (5) consecutive years. The Act also provided for additional transition period of three (3) years from the commencement of the Act, i.e. from April 1, 2014.

The Members are informed that M/s. Natvarlal Vepari & Co., Chartered Accountants, having Registration No. 123626W, are Statutory Auditors of the Company since long back. Accordingly, M/s. Natvarlal Vepari & Co., Chartered Accountants have completed period of ten (10) years and will also be completing the additional transition period of three (3) years at the conclusion of ensuing 27th Annual General Meeting, and the Company therefore needs to appoint a new auditor in their place. The Audit Committee and the Board of Directors have placed on record their appreciation for the professional services rendered by Natvarlal Vepari & Co., Chartered Accountants during their long association with the Company.

Pursuant to and in light of the above, the Board of Directors on the recommendation of Audit Committee has appointed M/s. Rangoonwala Associates, Chartered Accountants (Firm Registration Number: 108632W), Surat, as Statutory Auditors of the Company, for a period of five (5) consecutive years from the conclusion of 27th Annual General Meeting till the conclusion of the 32nd Annual General Meeting of the Company, subject to ratification of their appointment by the Members at every Annual General Meeting held after this 27th Annual General Meeting, during the aforementioned term of their appointment.

The proposed auditor, M/s Rangoonwala Associates, Chartered Accountants have confirmed that their Appointment, if made, shall be in accordance with the limits specified under Section 141(3)(g) of the Act and that they are not disqualified to be appointed as statutory auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014 (as amended).

None of the Directors and/or Key Managerial Personnel of the Company and/or their relatives are concerned or interested, financial or otherwise, in the resolution set out at Item No. 4.

The Board recommends the Ordinary Resolution set out at Item No. 4 for the approval of Members.

Item No. 5 of the Notice

The Board of Directors, on the recommendation of the Audit Committee has approved the appointment and remuneration of an amount not exceeding Rs. 25,000 (Rupees Twenty Five thousand only) plus taxes as applicable and reimbursement of out-of-pocket expenses for the financial year ended 31st March, 2018 payable to the Cost Auditors M/s. Kannaujiya & Co., Cost Accountants, having Firm Registration No. 102990, to conduct the audit of the cost records of the Company for the aforesaid financial year.

In accordance with the provisions of Section 148 of the Companies Act, 2013 and the Companies (Audit and Auditors), Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors of the Company has to be ratified by the members of the Company.

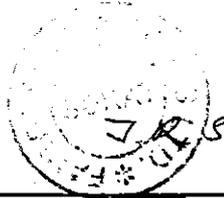

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at item No.5 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2018.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the said resolution.

The Board recommends the resolution for approval by the members.

Management Discussion and Analysis

Industry structure, Developments, Opportunities, threats and outlook :

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 15 per cent of total exports. The textiles industry is labour intensive and is one of the largest employers. The industry realised export earnings worth US\$ 40 billion in 2015-16. The industry is the second largest employer after agriculture, providing employment to over 51 million people directly and 68 million people indirectly. The Indian Textile Industry contributes approximately 4 per cent to India's Gross Domestic Product (GDP), and 14 per cent to overall Index of Industrial Production (IIP).

The textile industry plays a pivotal role through its contribution to industrial output, employment generation, and the export earnings of the country. The textile industry has a capacity to produce a versatile spread of products appropriate for varied market segments, both domestic and the export markets.

In spite of lot of challenges faced in international scenario in terms of trade, and the policy changes of many countries, India is still in a position to retain the stability of the currency, this shows that the Economy is becoming stronger and vibrant to take the challenges whatever may come in future.

A comprehensive tax reform would promote inclusive growth. Timely and effective implementation of the Goods and Services Tax would support competitiveness, investment and economic growth. Government's plans to reduce the corporate income tax rate and broaden the base will serve the same objectives. These two ongoing reforms have been designed to be revenue-neutral while India needs to raise additional tax revenue to meet social and physical infrastructure needs.

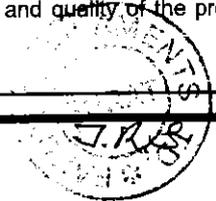

An economic slowdown- both domestic and global – may have adverse effect on the growth of the PFY industry. Raw material prices fluctuate in line with international prices and will continue to have an impact on the company's performance as raw materials constitute significant component of net sales. Increased differentiated products as well as a reduced working capital facility will help reduce risks.

Government has also passed a national goods-and-service tax (GST) that will create a common market in the country and is expected to increase economic growth in the medium term. These and other efforts to liberalise the economy and reduce burdensome taxes and regulations will likely lead to increased investment by both domestic and foreign firms and make Indian industry more competitive.

The Government has been overall supportive in encouraging textile Industry India, Textiles and garment industry has been included in list of 25 sectors of 'Make in India' initiative of the Government of India. With the right Government policies we believe that the Indian Textile Industry is well poised to benefit from the large opportunity offered in the domestic and export market. The Indian government has come up with a number of export promotion policies for the textiles sector. It has also allowed 100 per cent FDI in the Indian textiles sector under the automatic route.

Risk and concerns :

Fairdeal is engaged in manufacture of texturised, twisted and sized yarn and weaving on water-jet looms. The basic raw material for manufacturing company's product is POY, FDY, PFY etc. The company is a Marketing agent of Reliance Industries Limited for yarn products and supplying yarn to various big players in the market. Fluctuating prices of raw material is a big concern for the industry which may strain the profitability margins. The company has established network for marketing of its products, wide spread customer base, good market reputation and quality of the products, the company is in a position to pass on increase if any in cost to their customers.

Internal Control System and their adequacy :

The Company has a robust internal control system commensurate with the size and scale of its operations. Roles and responsibilities are clearly defined and assigned. Standard operating procedures are in place by way of built in controls in ERP system and have been designed to provide a reasonable assurance. Internal audit is used as an effective tool to check and enhance efficacy of systems, processes and controls of the Company. The review plan, drawn in consultation with the senior management, covers all the major areas. These are aimed at giving the Audit Committee a reasonable assurance on the reliability of financial reporting and statutory & regulatory compliances, effectiveness and efficiency of your Company's operations. The Internal Financial Control Systems are reviewed periodically and revised to keep in tune with the changing business environment.

Financial Performance :

Earnings before Interest, Depreciation and Tax (EBIDTA), during the year under review are Rs.854.90 lacs as compared to Rs.843.35 lacs for the previous year. Profit before tax for the financial year under review has decreased to Rs.188.25 lacs from Rs.241.43 lacs for the previous year. Your Company has earned a Net Profit after tax of Rs.176.02 lacs increase by 3.02% from Rs.170.86 lacs of previous year.

Human Resource Development/Industrial Relations :

Fairdeal recognizes that its people are most valuable resources and therefore as a policy of nurturing talent and ensuring that there is growth and their capabilities grow in relation to the growth of the company. The human resources function takes into account the capability, commitment and sincerity while evaluating talent within the company and suitable reward structure is in place to ensure maximum employee satisfaction. Regular training programs have been in place to improve the work capability at various levels in order to improve the competencies and skills.

Forward Looking Statement – Cautionary Statement :

Certain statement made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations etc. are "forward looking statements" within the meaning of applicable laws and regulations. These statements are based on certain assumptions and expectation of future events. Actual results may differ from those expressed or implied, depending upon economic conditions affecting demand/supply and price levels in the market, Government policies and other incidental or related factors.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
FAIRDEAL FILAMENTS LIMITED,
Surat.

Report on the Financial Statements

We have audited the accompanying financial statements of Fairdeal Filaments Ltd., which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the preparation of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2017;
- b) In the case of the Profit and Loss Account, of the Profit for the year ended on that date; and

**ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF
EVEN DATE ON THE FINANCIAL STATEMENTS OF FAIRDEAL FILAMENTS LIMITED.**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Fairdeal Filaments Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my / our audit. I / We conducted my / our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

16.1	The Interest subsidy claim amounting to Rs.208.59 Lacs was submitted to Ministry of Textile through bank out of which amount of Rs. 88.14 Lacs has been provided in the books of accounts is pending to be received. Considering the prolonged process and resultant uncertainty, the company had discontinued accounting for further accrual of interest subsidy claim under TUF, following conservatism. However, during the reporting year, the company has provided for the amount of Rs. 13.25 Lacs considering the same being received after the balance sheet date.

Significant Accounting Policies

(a) Basis of preparation of financial statements :

- i) The financial statements are prepared and presented under the historical cost convention in accordance with the Generally Accepted Accounting Principles and the provisions of The Companies Act, 2013.
- ii) The financial statements have been prepared under the historical cost convention on an accrual basis and in accordance with Generally Accepted Accounting Principles including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- iii) The Accounting policies are consistently applied by the Company.

(b) Use of Estimates :

The preparation of financial statements in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized.

(c) Fixed Assets :

Fixed Assets (except land) are carried at cost of acquisition or construction (net of CENVAT) less accumulated depreciation and impairment losses, if any. All costs including interest and financing cost till the assets put to use are capitalized to the extent they are measurable. Subsequent expenditure incurred on assets put to use is capitalized only where it increases future benefits/functioning capabilities from/of such assets.

(d) Depreciation :

- i) Depreciation on all assets except on assets as provided in clause ii hereunder is provided on Straight Line Method basis over the useful lives of the assets estimated by the Management in accordance with Part C of the Schedule II of the Companies Act, 2013.
- ii) Depreciation on machineries at Karanj unit acquired on or after 01-04-2001 is provided on Written down value over the useful lives of the assets estimated by the Management in accordance with Schedule II of the Companies Act, 2013.
- iii) The Residual value for all the existing assets have been determined by the Company which is in accordance with Schedule II of the Companies Act, 2013
- iv) The Residual value of all the new assets have been considered at 5 % cost of acquisition as prescribed under the Part C of Schedule II of the Companies Act, 2013

(e) Impairment :

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

(f) Investments :

All investments are stated at cost of acquisition. No provision is made in respect of diminution in the value of investment, which is temporary in nature.

(g) Inventories :

Inventories are valued in accordance with the requirements of the Revised Accounting Standard 2 (AS-2) issued by the Institute of Chartered Accountants of India on valuation of inventories which are as under:

- i) Raw Material, Stock-in-process Finished Goods and Stock-in-trade are valued at lower of cost or net realizable value.
- ii) Stores, chemicals, fuel and packing materials are valued at cost or Net Realizable Value whichever is lower.

(h) Borrowing Cost :

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset to the extent it is measurable are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

(i) Revenue recognition :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i) Sale of Goods :

Sale is accounted when goods are supplied and recorded net of trade discount and rebates.

ii) Late Payment Charges / Discount :

Late payment charges / discounts are recognized on the ground of prudence as and when recovered.

(j) Foreign Currency Transactions :

i) The reporting currency of the company is Indian rupees.

ii) Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realized gain and losses on settlement of foreign currency transactions are recognized in the Profit and Loss Account under the natural revenue heads of accounts.

iii) Foreign currency assets and liabilities at the year end are translated at the year end exchange rates, and the resultant exchange difference is recognized in the Profit and Loss Account.

iv) In case of forward contract, or other financial instruments that are in substance forward exchange contracts, the premium or discounts arising at the inception of the contract is amortize as expense or income over the life of the contract. Gains /(losses) on settlement of the transactions arising on cancellation/renewal of forward exchange contracts are recognized as income or expense.

(k) Retirement Benefits :

i) Short term Employee Benefits :

All employee benefits falling due within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, bonus, leave salary, exgratia are recognized in the period in which employee renders the related services.

ii) Post Employment Plans :

a) Defined Contribution Plan: Provident fund and pension scheme are the defined contribution plans in the company. The contribution paid /payable under these schemes is recognized during the period in which the employee renders the related services.

b) Defined Benefit Plans: Employee Gratuity fund scheme is the defined benefit plan. The Company makes annual contributions for gratuities to funds administered by trustees and managed by insurance company for amounts notified by the said insurance company. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary.

(l) Provisions, Contingent Liabilities and Contingent Assets :

- i) Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
- ii) Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent, and disclosed by way of notes to the accounts.
- iii) Contingent Assets are neither recognized nor disclosed in the financial statement, Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

(m) Taxation :

- i) Income-tax expense comprises current tax/MAT
- ii) In accordance with the Accounting Standard – 22, Accounting for Taxes on Income, issued by the Institute of Chartered Accountants of India ('ICAI'), the Company provides for deferred tax at the year end. Deferred tax resulting from timing differences between taxable income and accounting income for the year and reversal of timing difference of earlier years are recognized at the current rate of tax, to the extent that the timing differences are expected to crystallise.
- iii) Deferred tax arising on account of unabsorbed depreciation and other provisions are recognized only when there is a virtual certainty supported by convincing evidence that such assets will be realized.

(n) Earnings per share :

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of Fairdeal Filaments Ltd.

Report on the Financial Statements

We have audited the accompanying financial statements of Fairdeal Filaments Ltd., which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with relevant rules thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

For FAIRDEAL FILAMENTS LTD.

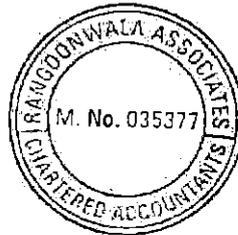

J R Shah

Authorised Signatory/Director

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF FAIRDEAL FILAMENTS LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Fairdeal Filaments Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

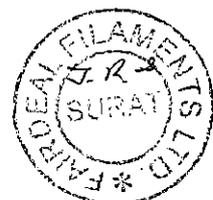

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes to Financial Statements for the Year ended on 31st March, 2018

Significant Accounting Policies:

a) Statement of compliance:

The Financial Statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

Upto the year ended 31st March, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014. These are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1st April, 2016. The transition from Previous GAAP to Ind AS has been accounted for in accordance with Ind AS 101 "First Time Adoption of Indian Accounting Standards".

In accordance with Ind As 101 "First time adoption of Indian Accounting Standard", the Company has presented a reconciliation from the presentation of financial statements under "Previous GAAP" to Ind AS of total equity as at April 1, 2016 and March 31, 2017, total comprehensive income and cash flow for the year ended March 31, 2017.

b) Basis of preparation and presentation of financial statements:

The financial statements are prepared and presented under the historical cost basis except for the following which have been measured at Fair Value amount:

- Certain financial assets and liabilities.
- Assets held for sale – Measured at Fair Value less cost to sell.
- Defined Benefit Plans – Plan Assets.
- Equity settled share-based payments.

The financial statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2017, the financial statements had been prepared under the historical cost convention on an accrual basis and in accordance with Generally Accepted Accounting Principles including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

led

The Company's financial statements are presented in Indian Rupees (₹), which is also its functional currency.

These financial statements are the Company's first Ind AS financial statements.

c) Summary of Significant Accounting Policies

i. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

a) An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

b) A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The group has identified twelve months as its operating cycle.

ii. Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized when the amount of revenue can be reliably measured and it is probable that the economic benefits will flow to the Company.

a) Sale of Goods:

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods.

Revenue from the sale of goods is measured at the fair value of the consideration

received or receivable, net of returns and allowances, trade discounts and volume rebates

b) Late Payment Charges / Discount:

Late payment charges / discounts are recognized on the ground of prudence as and when recovered.

c) Interest Income:

Interest Income is recognized on accrual basis.

d) Commission Income:

Commission Income is recognized when the services are rendered.

iii. Government Grants:

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all the attached conditions.

Government grants relating to purchase of property, plant and equipment are included in the non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

d) Tax Expenses:

The tax expense for the period comprise of current and deferred tax. Tax is recognized in Statement of Profit and Loss other than the items of Comprehensive income or in equity which is also recognized in other comprehensive income or equity

i) Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii) Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

e) Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with them will flow to the entity and the cost can be measured reliably.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end in accordance with Companies Act, 2013 and adjusted prospectively, if appropriate.

f) Intangible assets (Excluding Goodwill)

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Computer software are depreciated over a period of 10 years on Straight Line Method

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

g) Depreciation:

- i) Depreciation on all assets except on assets as provided in clause (ii) hereunder is provided on Straight Line Method basis over the useful lives of the assets estimated by the Management in accordance with Part C of the Schedule II of the Companies Act, 2013.
- ii) Depreciation on machineries at Karanj unit acquired on or after 01-04-2001 is provided on Written down value over the useful lives of the assets estimated by the Management in accordance with Schedule II of the Companies Act, 2013.
- iii) The Residual value for all the existing assets have been determined by the Company which is in accordance with Schedule II of the Companies Act, 2013
- iv) The Residual value of all the new assets have been considered at 5 % cost of acquisition as prescribed under the Part C of Schedule II of the Companies Act, 2013.

h) Impairment of non-financial assets - property, plant and equipment and intangible assets:

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal / external factors.

An impairment loss is recognized in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

i) Investment properties

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and impairment losses, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred

j) Inventories:

Inventories are stated at cost or net realizable value, whichever is lower.

Costs incurred in bringing each product to its present location and condition, are accounted for as follows:

- i) Raw materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average cost.
- ii) Finished goods: Cost of Finished Goods include material cost, cost of conversion, other overheads to the extent applicable.
- iii) Work in progress: It is valued at cost determined by taking material cost, labor charges, and direct expenses.
- iv) Stock in trade: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.
- v) Stores and spares are stated at cost less provision, if any, for obsolescence.

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k) Finance Cost:

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying asset is deducted from the borrowing cost eligible for capitalization.

All Other borrowing costs are charged to statement of profit and loss for the period in which they are incurred.

l) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in Statement of Profit and Loss

m) Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognized as expenses in the periods in which they are incurred.

A depreciable leased asset (other than Land) is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

62

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

n) Retirement Benefits

i) Short Term Employee Benefits

All employee benefits falling due within twelve months of rendering of service are classified as short term employee benefits. The benefits like salaries, wages, bonus, leave salary, exgratia are recognized in the period in which employee renders the related services.

ii) Post-Employment Benefits

a) Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b) Defined Benefit Plans

Employee Gratuity fund scheme is the defined benefit plan. The Company makes annual contributions for gratuities to funds administered by trustees and managed by insurance company for amounts notified by the said insurance company. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary.

o) Provisions

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liability

Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent, and disclosed by way of notes to the accounts.

Contingent assets

Contingent assets are neither recognized not disclosed in the financial statement.

Provisions, Contingent Liabilities and Contingent assets are reviewed at each balance sheet date.

p) Financial instruments

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) Financial Assets

a) Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

b) Subsequent measurement

- i. Financial assets carried at amortized cost (AC): A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- ii. Financial assets at fair value through other comprehensive income (FVTOCI): A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- iii. Financial assets at fair value through profit or loss (FVTPL): A financial asset which is not classified in any of the above categories are measured at FVTPL.

c) Investment in subsidiaries, Associates and Joint Ventures

Investments in subsidiaries, associates and joint venture are accounted at cost.

d) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognized in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

led

e) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analyzed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial liabilities

a) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

b) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

q) Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

r) Significant accounting judgments, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures. Uncertainty about the assumptions and estimates could result in outcomes that require a material adjustment to the carrying value of assets or liabilities affected in future period.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

i) Judgment

In the process of applying the accounting policies, management has made the following judgments, which have significant effect on the amounts recognized in the Company's financial statements:

a) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss.

b) Recoverability of trade receivable

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that

led

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

ii) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

a) Useful lives of property, plant and equipment

The estimated useful lives of property, plant and equipment are based on a number of factors including the effects of obsolescence, demand, competition, internal assessment of user experience and other economic factors (such as the stability of the industry, and known technological advances) and the level of maintenance expenditure required to obtain the expected future cash flows from the asset. The Company reviews the useful life of property, plant and equipment at the end of each reporting date.

b) Post-retirement benefit plans

Employee benefit obligations (gratuity obligation) are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

led.

c) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

d) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

s) **First Time Adoption Of Ind AS**

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

i) Exemptions Applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS.

The Company has applied the following exemptions:

ii) Mandatory Exemptions

Estimates

An entity estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

led

FAIRDEAL FILAMENTS LIMITED, SURAT

Notes to Financial Statements for the Year ended on 31st March, 2018

Ind AS estimates at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.

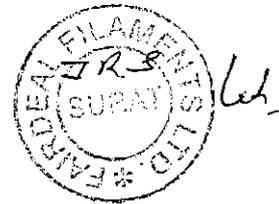

iii) Optional Exemptions

a) Fair value as deemed cost exemption

The Company has elected to measure items of property, plant and equipment and intangible assets at its carrying value at the transition date.

b) Investments in subsidiaries, joint ventures and associates

The Company has elected to measure investment in subsidiaries, joint venture and associate at cost.

INDEPENDENT AUDITOR'S REVIEW REPORT

To

The Board of Directors of
FAIRDEAL FILAMENTS LIMITED

We have reviewed the accompanying Statement of unaudited financial results of **FAIRDEAL FILAMENTS LIMITED** ("the Company") for the quarter ended 30th June, 2018 (the Statement) which are included in the accompanying 'Statement of Unaudited Financial Results for the said quarter with the relevant notes thereon ("the Statement")' being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015") read with SEBI circular dated 5th July, 2016.

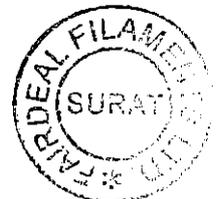

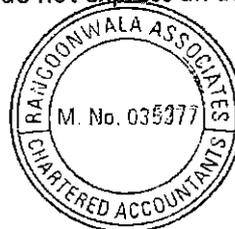

This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *Review Of Interim Financial Information Performed By The Independent Auditor Of The Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
